Annual Reports

of the town of

HARRISVILLE

New Hampshire

for the year ending
December 31, 1994

SELECTMEN

The Selectmen meet at the Selectmen's Office on Thursday nights from 7:00 to 9:00. The public hours are 7:30 to 9:00. There are no public hours on the last Thursday of the month.

THE CLERK FOR THE SELECTMEN

The Clerk to the Selectmen is at the Selectmen's Office on Tuesday and Thursday, 8 AM to 2 PM. She is at the office to provide permits or forms, dump stickers, copies of tax cards or any miscellaneous town related business.

TOWN CLERK

The Town Clerk is in the Office on Monday - 11 AM to 3 PM, Tuesday - 6 to 8 PM, and Thursday 4 to 6 PM. She licenses automobiles, trailers, motorcycles, mopeds, dogs and boats. She registers births and deaths, and provides marriage licenses.

TAX COLLECTOR

The Tax Collector is at the Office on Thursday mornings from 8 to 10 AM. She has additional hours for two months after the tax bills are sent out. Those hours are listed on the tax bills.

LIBRARY

The library is open on Monday nights from 6pm to 8:30pm, Wednesdays 2pm to 5pm, Fridays from 3pm to 6:30pm, and Saturday mornings from 9am to 12 noon.

THE TRANSFER STATION AND THE RECYCLING CENTER

The transfer station and the recycling center, aka the dump, is open Fridays from 11am to 5pm, and Saturdays from 8am to 6pm.

The PLANNING BOARD regularly meets at the Wells Memorial School on the 2nd Wednesday of the month at 7pm. Their work session is at the Library on the 4th Wednesday of the month.

The ZONING BOARD OF ADJUSTMENT meets at the Library on the 3rd Wednesday of the month at 7pm.

The CONSERVATION COMMISSION meets at the Library on the 4th Wednesday of the month at 7pm.

The HISTORIC DISTRICT COMMITTEE meets at the Library on the 1st Wednesday of the month at 7pm.

The phone number for the Selectmen's Office and the Library is 827-3431, the Highway Department is 827-3074, and Wells Memorial School is 827-3272.

ARTICLE 2 was voted on by official ballot, and the results are as follows:

ARTICLE 2: Are you in favor of Amendment #1 as proposed by the Planning Board for the Harrisville Zoning Ordinance to add to ARTICLE IV - GENERAL PROVISIONS, a new section 4.1.17 as follows:

"Recreational vehicles designed for camping and travelling may be parked on any residential lot in all zoning districts, subject to parking regulations. The vehicle may, by permit of the Selectmen, be occupied for a period not exceeding 90 days in any calendar year, provided that adequate provisions be made for sewage disposal and water supply."

The results of the votes were as follows, Yes 125, No, 104 votes, declared passed.

Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Harrisville Zoning Ordinance to add to ARTICLE - GENERAL PROVISIONS, a new section 4.1.18 as follows: "Manufactured housing is permitted only in the Residential and Agricultural District, subject to the following provisions:

4.1.18.1 The unit shall be set on a support system with the wheels removed.

4.1.18.2 The placement of manufactured housing is subject to a building permit."

The results of the votes were as follows, Yes 138, No, 89 votes, declared passed.

Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the Harrisville Zoning Ordinance to add a new section 4.1.19, the result of which would be as follows: (1) To permit Home Occupations in all zoning districts provided they are carried on only by residents of the dwelling, involve only a service provided or product produced by those residents, are operated entirely within a principal and/or accessory structure, and results in no external evidence of the enterprise except for a permitted sign. (2) To permit Home-Based Businesses by Special Exception of the Board of Adjustment subject to the following conditions: .

1. It shall be carried on by residents of the premises, and not more than (two) on-premise employees who are not residents.

2. It shall not have an adverse effect on the environment or the surrounding properties as a result of: noise; odors; smoke; dust; lights; soil, water or air pollution; excessive increases in traffic or in parking requirements; or as a result of other nuisances.

3. It shall have no outdoor display of goods, and no outdoor storage of materials or equipment unless screened from roads and surrounding properties by natural or structural means to such an extent and in such manner as may be specifically required and approved by the Board of Adjustment.

4. The residence or accessory buildings shall not provide window displays or other characteristics or features normally associated with commercial use, except for a permitted sign.

5. There shall be no change in the exterior appearance of the residence or other structures on the property as a result of the use, unless specifically approved or required by the Board of Adjustment.

6. Home-Based businesses may be subject to Site Plan Review by the Planning Board.

The results of the votes were as follows, Yes 137, No, 87 votes, declared passed.

Are you in favor of Amendment #4 as proposed by the Planning Board for the Harrisville Zoning Ordinance to delete the existing definition of "Home Occupation" and replace it with the following: "A Home Occupation or Home-Based Business is an accessory use to a residence involving the manufacture of, provision or sale of goods and/or services. The use shall be clearly incidental and secondary to the primary use of the residence, and does not change the character thereof or adversely affect the uses permitted in the zoning district in which it is located. The following uses are not to be considered Home Occupations or Home-Based Businesses: motor vehicle sales, repair or service; veterinary establishments; restaurants and other eating establishments; retail sales establishments."

The results of the votes were as follows, Yes 137, No, 85 votes, declared passed.

Are you in favor of Amendment #5 as proposed by the Planning Board for the Harrisville Zoning Ordinance to amend Section 15.7 of the Shoreland Overlay Ordinance as follows: (1) Delete Section 15.7.2.2: "Trees, saplings, shrubs and ground covers which are removed to clear an opening for building construction, accessory structures, septic systems, roadways, pathways, and parking areas shall be excluded when computing the percentage limitations under section 7.b.(1)" and replace it with: "Trees, saplings, shrubs and ground covers which are removed to clear an opening for building construction, accessory structures and pathways greater than four (4) feet in width shall be included when computing the percentage limitations under section 7.b.1, but the area required for primary building construction, septic systems, roadways and parking shall not be included." (2) Amend Section 15.7.2.3 as follows: "Dead, diseased, unsafe, noxious or fallen trees, saplings, shrubs, or ground cover may be removed. Their removal shall [delete not] be used in computing the percentage limitations under section 7.b.1." (3) Amend Section 15.7.2.4 as follows: "Stumps and their root systems which are located within [change 50 feet to 75 feet] of the public boundary line shall be left intact in the ground."

The results of the votes were as follows, Yes 124, No, 87 votes, declared passed.

Are you in favor of Amendment #6 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows: To amend ARTICLE V, Section 5.4, NON-CONFORMING LOT, by adding the requirement that a non-conforming lot needs Special Exception approval in

order to be developed.

The results of the votes were as follows, Yes 129, No, 63 votes, declared passed.

Are you in favor of Amendment #7 as proposed by the Planning Board for the Harrisville Zoning Ordinance to amend ARTICLE XIV - GROWTH MANAGEMENT ORDINANCE as follows: (1) Change the application procedure from two permit periods (March and September) to one (first of March). (2) Amend Section 14.4.5.3 by changing the sentence "No more than three period's growth permits shall be issued in any given calendar year" to "No more than two period's growth permits shall be issued in any given calendar year." (3) To amend Section 14.4.5.2 by adding the sentence "The allowable number of growth permits available per year shall not be less than six ." (4) To make Section 14.4.5.5 consistent with the change in application procedure by changing the expiration period from 3 months to 6 months, and adding the sentence "Issued permits that have expired because of lack of action shall return to the pool to be re-issued on a first-come, first-serve basis."

The results of the votes were as follows, Yes 112, No, 81 votes, declared passed.

ARTICLE 3. To see if the Town will vote accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing, indefinitely, until specific rescission of such authority, the Selectmen to issue Tax Anticipation Notes.

A motion was made to accept Article 3 as read; passed.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$976.00 in support of the Monadnock Family Services.

(Recommended by Selectmen.)

A motion was made to accept Article 4 as read; passed.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of of \$2,000.00 in support of the services of Home Health Care and Community Services, with \$500.00 going immediately for membership fee and the rest paid as it is used.

(Recommended by Selectmen.)

A motion was made to accept Article 5 as read; passed.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$976.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.

(Recommended by Selectmen.)

A motion was made to accept Article 6 as read; passed.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Grand Monadnock Arts Council.

(Recommended by Selectmen.)

A motion was made to accept Article 7 as read; passed.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Camp Holiday.

(Recommended by Selectmen.)

A motion was made to accept Article 8 as read; passed.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$594.00 for the support of The Community Kitchen.

(Recommended by Selectmen.)

A motion was made to accept Article 9 as read; passed.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$18,000.00 for a valuation update of property and to authorize withdrawal of \$4,000.00 from the Reappraisal Capital Reserve Fund with the balance of \$14,000.00 to be raised by general taxation.

(Recommended by Selectmen.)

A motion was made to accept Article 10 as read; did not pass.

Articles 11, 12 and 13 were all discussed together before a vote was taken on Article 11.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$88,000.00 for the purchase and renovation of Lot 30-40 (the Horn-Kretchman house) for use as the Town Offices, incorporating the Selectmen's Office, the Town Clerk's and the Tax Collector's Offices, as well as, the Town Boards and Committee Offices, storage space and meeting room, and that occupancy take place on or before September 1, 1994 and to authorize the issuance of not more than \$78,000.00 of bonds and notes in accordance with the provisions of the

Municipal Finance Act (RSA 33) and to authorize the Town officials to issue and negotiate such bonds and to determine the interest thereon with the balance of \$10,000.00 to be raised by general taxation.

(Not recommended by Selectmen.)

(2/3 vote by paper ballot.)

A motion was made to accept Article 11 as read. The results were as follows: Yes, 23, No 102; and Article 11 did not pass.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$90,000.00 for the construction of a Town Office Building on town-owned property adjacent to the New Fire Station and to authorize the issuance of not more than \$80,000.00 of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Town officials to issue and negotiate such bonds and to determine the interest thereon with the balance of \$10,000.00 to be raised by general taxation.

(Not recommended by Selectmen.)

(Recommended by Town Building Committee.)

(2/3 vote by paper ballot.)

A motion was made to accept Article 12 as read.

Article 12 was then amended to read as follows:

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$90,000.00 for the construction of a Town Office Building on town-owned property adjacent to the New Fire Station and to authorize the issuance of not more than \$80,000.00 of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Town officials to issue and negotiate such bonds and to determine the interest thereon with the balance of \$10,000.00 to be raised by general taxation. That the selectmen work with the building committee to prepare building location and design options for presentation to the town at a public hearing for review and feedback.

A motion was made to accept Article 12 as amended, passed.

A motion was made to amend Article 12 to add the words: or attached to, to the Article, which passed and then the Article read as follows:

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$90,000.00 for the construction of a Town Office Building on town-owned property

adjacent to or attached to the New Fire Station and to authorize the issuance of not more than \$80,000.00 of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Town officials to issue and negotiate such bonds and to determine the interest thereon with the balance of \$10,000.00 to be raised by general taxation. That the selectmen work with the building committee to prepare building location and design options for presentation to the town at a public hearing for review and feedback.

The vote was as follows: Yes, 83, No 35; declared passed.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$115,000.00 for the purchase of land adjacent to the New Fire Station from PRT Realty, Inc., and the construction of a Town Office Building on that land and to authorize the issuance of not more than \$100,000.00 of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Town officials to issue and negotiate such bonds and to determine the interest thereon with the balance of \$15,000.00 to be raised by general taxation.

(Not recommended by Selectmen.)

(2/3 vote by paper ballot.)

Article 13 was passed over.

ARTICLE 14. To see if the Town will vote authorize the Selectmen to enter into a lease agreement for the purposes of leasing office space for the Town Officers and Boards, and to raise and appropriate the sum of \$12,250 for the first year's payment for that purpose.

(Not recommended by Selectmen.)

Article 14 was passed over.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund and to be added to in subsequent years by vote of the Town. Purpose of the Fund would be to defray the cost of constructing or renovating Town Office Buildings. These funds are to be raised under the provisions of RSA 35:1.

(Recommended by Selectmen.)

Article 15 was passed over.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$61,500.00 for Capital Reserve to be allocated as follows:

Highway Equipment	-	15,000.00,	
Landfill Closing	-	22,000.00,	
Fire Equipment	-	15,000.00,	
Police Cruiser	-	2,500.00,	
Reappraisal	-	2,000.00,	
Library Foundation-		5,000.00.	(RSA 35:1)
(Recommended by Selectmen.)			

A motion was made to accept Article 16 as read; passed.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for the purchase of a new plow and to authorize the withdrawal of said sum from the Highway Equipment Capital Reserve Fund for this purpose.

(Recommended by Selectmen.)

A motion was made to accept Article 17 as read; passed.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the purchase of a sand spreader and to authorize the withdrawal of said sum from the Highway Equipment Capital Reserve Fund for this purpose.

(Recommended by Selectmen.)

A motion was made to accept Article 18 as read; passed.

ARTICLE 19. To see if the Town will vote to adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax. These statutes provide for the following exemptions: for a person over 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000, or if married \$12,000, or assets of \$30,000 or less, excluding the value of the person's residence and the land upon which it is located up to the greater of two acres or the minimum single family residential size specified in the local zoning ordinance. The net income shall be determined by deducting from all moneys received from any source whatsoever the amount of any of the following or the sum thereof:

(a) Life insurance paid on the death of an

- insured;
- (b) Expenses and costs incurred in the course of conducting a business enterprise;
- (c) Proceeds from the sale of assets;
- (d) Social Security payments.
- (By petition.) (Vote by official ballot.)

The results of the votes were as follows: Yes 198, No, 47, Blank, 15. The Article was declared passed.

ARTICLE 20. To see if the Town will vote to discontinue plowing private driveways for residents over seventy(70) years of age.

(By petition.) (Paper ballot.)

A motion was made to accept Article 20 as read.

The results of the voting was as follows; Yes, 23, No, 59; did not pass.

ARTICLE 21. To see if the Town will vote to tear down the two old fire stations.

(By petition.) (Paper ballot.)

A motion was made to accept Article 21 as read.

The results of the voting was as follows; Yes, 18, No, 53; did not pass.

ARTICLE 22. To see if the Town will vote to instruct the Board of Selectmen to tax sand, gravel, and loam whenever it is removed from the ground pursuant to the provisions of RSA 72:13. (By petition.)

A motion was made to accept Article 22 as read. There was a standing vote of Yes, 18 and No, 35. Article 22 did not pass, however the selectmen assured the meeting prior to the vote that they would be taxing sand, gravel and loam, but that this Article limited the way or procedure used for taxation.

ARTICLE 23. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

A motion was made to accept Article 23 as read; passed.

ARTICLE 24. To see if the Town will vote to accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Board of Selectmen to apply for, accept and expend, without further action by Town Meeting,

unanticipated money from State, Federal or other governmental unit or a private source which becomes available during the year. This authority will remain in effect until rescinded by a vote of the municipal meeting.

A motion was made to accept Article 24 as read; passed.

ARTICLE 25. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public meeting before accepting any such gift, and the acceptance shall not bind the Town to raise, appropriate or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the municipal meeting.

A motion was made to accept Article 25 as read; passed.

ARTICLE 26. To see if the Town will vote to accept the provisions of RSA 202-A:4-c providing that the Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Public Library Trustees to apply for, negotiate for, contract for, accept, and expend, without further action by Town Meeting, unanticipated money from a State, Federal, or other governmental unit or a private source which becomes available during the year.

A motion was made to accept Article 26 as read; passed.

ARTICLE 27. To see if the Town will vote to authorize indefinitely, until specific rescission of such authority, the Board of Selectmen to convey any real estate acquired by the Town by Tax Collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.

A motion was made to accept Article 27 as read; passed.

ARTICLE 28. To see if the Town will vote to accept \$100.00 for perpetual care on the cemetery lot of Eino W. Luoma at Island Cemetery.

A motion was made to accept Article 28 as read; passed.

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$378,310.00 which represents the operating budget. Said sum does not include special articles addressed.

(Recommended by Selectmen)

A motion was made to accept Article 29 as read. A motion was made to amend Article 29 to read as follows:

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$378,240.00 which represents the operating budget. Said sum does not include special articles addressed.

A motion was made to accept Article 29 as amended; passed.

ARTICLE 30. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

A motion was made to accept the reports as printed in the town report; passed.

ARTICLE 31. To transact any other business that may legally come before this meeting.

The idea of going to a unit-pay system at the transfer system was brought up. The selectmen said they would consider it.

The results of the elections were announced.

For moderator, John J Colony III received 229 votes; declared elected for a two year term.

For Selectmen, Lawrence Rathburn 131 votes, for Allan Saari, 120 votes. Lawrence Rathburn declared elected for a three year term.

For Constance Boyd, for Town Treasurer 246; declared elected for a one year term.

For Gretchen Poisson, for Town Clerk 256; declared elected for a one year term.

For Rand E Duffy, 252 votes; declared elected for a one year term.

For Bryan Trudelle for Cemetery Agent, 253 votes; declared elected for a one year term.

The meeting was adjourned.

Respectfully submitted,
Gretchen Poisson

TOWN WARRANT

The State of New Hampshire

The polls will be open from 11:00 AM to 8:30 PM.

To the inhabitants of the Town of Harrisville in the county of Cheshire in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Wells Memorial School in said Harrisville on Tuesday, the fourteenth day of March at seven of the clock in the afternoon to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

ARTICLE 2. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To amend Article XXV - DEFINITIONS by deleting the existing definition of "PROFESSIONAL OFFICE" in the left-hand column and replacing it with new language in the right-hand column:

PROFESSIONAL OFFICE: The office of a member of a recognized profession. When conducted in a residential district, a professional office shall be incidental to the residential occupation, shall be conducted entirely within a residential building, and shall include only the offices of doctors or physicians, dentists, optometrists, ministers, architects, professional engineers, lawyers, artists, authors, musicians and such other similar professional occupations which may be so designated by the Zoning Board upon finding by the Board that such occupation is truly professional in character

PROFESSIONAL OFFICE:
Means business, professional and personal service establishments, including but not limited to: banks, medical offices, real estate, insurance, architects, attorneys, and publishing.

by virtue of the need for similar training and experience as a condition for the practice thereof and that the practice of such occupation shall in no way adversely affect the safe and comfortable enjoyment of property rights in any zone to a greater extent than for the professional activities listed herein. The issuance of a state or local license for regulations of any gainful occupation need not be deemed indicative of professional standing.

Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To amend Article XXV - DEFINITIONS by deleting the existing definition of "ALTERATIONS" in the left-hand column and replacing it with new language in the right-hand column:

ALTERATIONS: As applied to a building or structure, means a change or rearrangement in the structural parts or in the existing facilities, or an enlargement, whether by extending on a side, front or back or by increasing height, or the moving from one location or position to another.

ALTERATIONS: Means a change or rearrangement in the structural parts, interior or exterior of a building or structure, including restoration or reconstruction.

Are you in favor of Amendment #3 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To amend Article XXV - DEFINITIONS, by adding the following new definitions:

(1) **CHILD CARE CENTERS** means either full-day or half-day child care which regularly provides services for any part of a day, but less than 24 hours, for 13 or more children. This may take place in a facility separate from a residence.

(2) FAMILY DAY CARE means an occupied residence in which child care is regularly provided for any part of a day, but less than 24 hours, except in emergencies, for one to six children from one or more related or unrelated families. The maximum of six children includes children living in the home.

(3) EXPANSION, as applied to a non-conforming building, means to enlarge either the volume of the building and/or the building footprint. As applied to a non-conforming use, means to increase the intensity of the use.

Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To amend Article IV - GENERAL PROVISIONS, by deleting the language in the left-hand column and replacing it with the language in the right-hand column:

4.1.11. Prior to the conversion or use of a seasonal building as a year-round residence the property owner shall supply a certificate of inspection from a licensed septic designer certifying that the existing septic system is adequate for the proposed use and that the system meets current standards of the Water Supply and Pollution Control Division of the Department of Environmental Services.

4.1.12. Replacement of buildings that have been demolished or burned over fifty (50) percent of the square foot area shall be considered new construction and shall be required to meet current Water Supply and Pollution Control standards in accordance to Env-Ws 1003 unless a valid construction and operating approval exists and the

4.1.11. Replacement of buildings that have been demolished or burned over fifty (50) percent of the square foot area shall be considered new construction and shall be required to meet current Water Supply and Pollution Control standards in accordance with Env-Ws 1003 unless a valid construction and operating approval exists and the total sewage load will not be increased. Nothing herein shall prevent 100% replacement of any building for any reason, whether damaged or not, providing that current Water Supply and Pollution Control standards in accordance with Env-Ws 1003 can be met.

total sewage load will not be increased. Nothing herein shall prevent 100% replacement of any building for any reason, whether damaged or not.

4.1.14. Prior to commencing any modification, additions, replacement or use of any structure which would result in any increase in the load on a sub-surface sewage disposal system, the Selectmen as a condition of granting of a building permit shall require the property owner to supply a certificate of inspection from a licensed septic designer certifying that the existing septic system is adequate for the proposed expanded use and that the system meets the current standards of the Water Supply and Pollution Control Division of the Department of Environmental Services.

4.1.14. Prior to commencing any modification, additions, replacement or use of any structure, including the conversion of a seasonal dwelling to a year-round dwelling, which would result in any increase in the load on a sub-surface sewage disposal system, the Selectmen as a condition of granting of a building permit shall require the property owner to supply a certificate of inspection from a licensed septic designer certifying that the existing septic system is adequate for the proposed use and that the system meets the current standards of the Water Supply and Pollution Control Division of the Department of Environmental Services.

Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To amend Article V - NON-CONFORMING USES, STRUCTURES, LOTS, by deleting the language in the left-hand column and replacing it with the language in the right-hand column.

5.3.1. Alterations: Any non-conforming building may be altered, provided that such alteration conforms with the dimensional controls for building height, yard requirements, setback requirements and building separation requirements as adopted in this

5.3.1. Alterations or Replacement: Any non-conforming building may be altered or replaced on its original site, provided that such activity conforms with the dimensional controls for building height, yard requirements, setback requirements and building

ordinance or amendments thereto.

5.3.2. Restoration, Reconstruction and or Replacement: Nothing herein shall prevent the substantial restoration, reconstruction and or replacement within twelve (12) months of a nonconforming building or structure destroyed in whole or in part by fire or other natural disaster so long as this use does not result in a new increased violation.

5.3.3. By Special Exception a non-conforming building may be expanded to no more than twenty-five (25) percent of the total square foot area of the building footprint as of the date of the passage of this ordinance, the total to be a cumulative sum of all expansions. This expansion must be in a direction away from the non-conforming aspect of the structure or use or lot.

separation requirements as adopted in this ordinance or amendments thereto. Such replacement must take place within twelve (12) months of the demolition of the pre-existing structure.

5.3.2. A non-conforming building may be replaced or relocated on the property to a more conforming location by Special Exception of the Board of Adjustment. Nothing herein shall prevent the replacement or relocation of a non-conforming building to a completely conforming location on the property.

5.3.3. By Special Exception, a non-conforming building may be expanded in either volume or area. Area expansions shall constitute no more than twenty-five (25) percent of the building footprint as of the date of the passage of this ordinance, the total to be a cumulative sum of all expansions. This expansion must be in a direction away from the non-conforming aspect of the structure. For the purposes of this ordinance, open decks are not considered expansions, however, roofed porches are.

Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To amend Article V - NON-CONFORMING USES, STRUCTURES, LOTS by adding a new Paragraph 5.4.2: A building on a non- conforming lot may be replaced or

relocated on the property by Special Exception of the Board of Adjustment, provided it conforms with the dimensional controls for building height, yard, setback and building separation requirements as adopted in this ordinance or amendments thereto.

Are you in favor of the adoption of Amendment #7 as proposed by the Planning Board to the Harrisville Zoning Ordinance as follows:

To readopt Article XIV, GROWTH MANAGEMENT ORDINANCE.

Are you in favor of the adoption of Amendment #8 as proposed by the Planning Board to the Harrisville Zoning Ordinance as follows:

To allow the Planning Board to reformat the Zoning Ordinance and renumber accordingly.

(Vote by official ballot.)

ARTICLE 3. Are you in favor of appropriating the additional sum of \$40,000.00 to be added to the bond issue of \$80,000.00 (authorized at the Town Meeting of 1994 under Article 12) for the purpose of constructing a Town Office Building with said sums to be in addition to any federal, state or private funds made available therefor, and of authorizing the issuance of not more than \$40,000.00 of additional bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA33)?

(Not recommended by Selectmen)
(2/3 vote by official ballot)

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the funds authorized under Article 3, for the purpose of constructing a Town Office Building.

(Not recommended by Selectmen)

ARTICLE 5. To see if the Town will direct the Selectmen to work with the School Board to allow the Town to use the area of the School that is now occupied by the library and special education room and their adjoining small rooms for temporary town offices until such time that either the Town appropriates money for and develops an alternate location or the population of the school exceeds 100 students. And further that such use of the school by the Town commence on September 1,

1995 and be conditional on the space being physically divided from the school by a new interior doorway and that no public meetings or office hours be scheduled by the Town during normal school hours.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for renovations to the existing Town Office Building, with the Tax Collector and Town Clerk being relocated to the Harrisville Depot.
(Recommended by Selectmen.)

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$15,000 to be placed in a Capital Reserve Fund and to be added to in subsequent years by vote of the Town. Purpose of the Fund would be to defray the cost of constructing or renovating Town Office Buildings. These funds are to be raised under the provisions of RSA 35:1.
(Recommended by Selectmen.)

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$23,500.00 for the purchase of a new Police Cruiser and to authorize the withdrawal of \$13,500.00 from the Police Cruiser Capital Reserve Fund for this purpose, with the balance of \$10,000.00 to be raised by general taxation, and further to authorize the Selectmen to dispose of the old cruiser.
(Recommended by Selectmen.)

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$156,000.00 for capping the Landfill and to authorize the withdrawal of said sum from the Landfill Closing Capital Reserve Fund for this purpose.
(Recommended by Selectmen.)

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$61,500.00 for Capital Reserve to be allocated as follows:

Highway Equipment	-	15,000.00,	
Landfill Closing	-	22,000.00,	
Fire Equipment	-	15,000.00,	
Police Cruiser	-	2,500.00,	
Reappraisal	-	2,000.00,	
Library Foundation-		5,000.00.	(RSA 35:1)

(Recommended by Selectmen.)

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$37,500.00 for a revaluation of property and to authorize withdrawal of \$6,000.00 from the Reappraisal Capital Reserve Fund with the balance of \$31,500.00 to be raised by general taxation.
(Recommended by Selectmen.)

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$22,100.00 for a valuation update of property and to authorize withdrawal of \$6,000.00 from the Reappraisal Capital Reserve Fund with the balance of \$16,100.00 to be raised by general taxation.
(Recommended by Selectmen.)

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 as the Town's share for repairing the stone wall between Church Hill and the State road, in front of the store.
(Recommended by Selectmen.)

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$981.00 in support of the Monadnock Family Services.
(Recommended by Selectmen.)

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of of \$2,000.00 in support of the services of Home Health Care and Community Services, with \$500.00 going immediately for membership fee and the rest paid is it is used.
(Recommended by Selectmen.)

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$1,086.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.
(Recommended by Selectmen.)

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Grand Monadnock Arts Council.
(Recommended by Selectmen.)

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Camp Holiday.
(Recommended by Selectmen.)

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$431.00 for the support of The Community Kitchen.

(Recommended by Selectmen.)

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Southwestern Community Services, Inc.

(Recommended by Selectmen.)

ARTICLE 21. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$395,635.00 which represents the operating budget. Said sum does not include special articles addressed.

(Recommended by Selectmen)

ARTICLE 23. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

ARTICLE 24. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-third day of February in the year of our Lord, Nineteen hundred ninety-five.

February 17, 1995

To the Board of Selectmen
Town of Harrisville, New Hampshire

We have audited the general purpose financial statements of the Town of Harrisville, New Hampshire as of and for the year ended December 31, 1994, and have issued our report thereon dated February 17, 1995.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Harrisville, New Hampshire for the year ended December 31, 1994, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Harrisville, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in

the following categories:

- Budget
- Cash and investments
- Revenue and receivables
- Expenditures for goods and services
and accounts payable
- Payroll and related liabilities

For all of the internal control structure categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited.

Vachon, Chubbey & Co., PC

OFFICE OF SELECTMEN

With great sorrow we record the death of Marilyn A. St. Peter, the Chairman of the Board of Selectmen. She worked diligently on behalf of the Town ever since she first became a Selectman in 1984. She served on the Historic District Commission, the Planning Board, the Conservation Commission, and the Town Office Building Committee. She is greatly missed.

We note with sadness also the deaths of George Clymer, who served on the Planning Board and as Chairman of the Town Building Committee, Lionel MacKenzie, who served on the Centennial Committee in 1970, and Gertrude Richardson who served on the Conservation Commission and the Zoning Board of Adjustment. Life goes on, but these losses have left holes in the fabric of our lives.

In the fall, we undertook renovations to the old Harrisville Depot to bring the Police Department quarters up to State standards. We have long wanted to make improvements to the building, and did so at this time in response to pressure from the State. The work included a handicapped-accessible bathroom, a waiting room, and a new heating system. During the course of the year we concluded that it would be in the best interests of the Town to effect a change in personnel in the Police Department. Daniel Clark is now our Police Officer.

We also appointed a committee which developed a plan for a proposed new Town Office Building. We like the plan; however, when the bids came in, they were significantly higher than the funds authorized at Town Meeting last year. That results from a number of factors, including the need to meet handicapped accessibility and other code requirements, and our attempts to meet the expressed wishes of townspeople that the building be large enough for everything to be under one roof and likely to meet Town needs for forty or fifty years. We are presenting the plans to the Town, but we do not recommend their adoption at this time, suggesting instead the establishment of a Capital Reserve Fund with an eye to construction in the future. In this, as in other matters, we try to be very cautious about spending your tax dollars, following the fiscally responsible policy of "pay as you go".

We thank all the Town employees for their hard work on behalf of the Town. We also recognize with thanks the many hours put in by all the volunteers on Town Boards and Commissions.

TOWN CLERK'S REPORT FOR 1994

The Town Clerk's hours have changed to Monday - 11:00 AM to 3:00 PM, Tuesday - 6:00 to 8:00 PM, and Thursday - 4:00 to 6:00 PM.

Harrisville registered 1,159 automobiles in 1994, netting a total of \$68,355. Fifty-two boats were registered, bringing the town \$459.27 that otherwise would have gone to the state. We registered 156 dogs and the two rabies clinics we held last year were well attended, grossing \$448.50. Our price of \$5.00 per rabies shot undercut all other towns, (not to mention Vets). We attracted a lot of out of town people, especially, who had multiples of cats and dogs that needed shots. Our rabies clinic this year will be in early April. Watch the paper, Common Threads and bulletin board for time and place.

The Vital Statistics are listed elsewhere in this town report. It was a sad year to see the loss of 3 good people who were so involved in the town: Marilyn St. Peter, George Clymer, and Gertrude Richardson.

As many of you know, 1994 was my last year as Town Clerk of Harrisville. It is satisfying to know signature will live on in the archives; forever engraved on many marriage, birth and death certificates, as well as, the minutes of the Town Meeting for the years I served. After living here for 25 years, and especially after being Town Clerk, I think of Harrisville as more than just a place. Harrisville is the people here. I will miss you.

My thanks to all of you good-natured people who helped me make this job fun. I want to publicly acknowledge the Selectmen for their help and compassion, especially this past, personally difficult year. Thanks to Chick, the Supervisors of the Checklist, and the Ballot Clerks (both school and town) for making the marathon of Town Meeting and general elections not only enjoyable, but downright fattening. My thanks to Jean Girard for her kindness and support and for taking back a job that I made as complicated as possible. My biggest thanks go to Connie Boyd, who works harder and handles more jobs than anyone in Harrisville...Connie, you've been a wonderful office mate and a dear friend.

Sincerely,
Gretchen Poisson

FIRE DEPARTMENT REPORT FOR 1994

It is certainly with mixed emotions that I submit this 1994 report for your information. After serving nine years as Chief of the Department, I resigned that position effective 12/31/94, to allow more personal and family time. For the present, to help meet our personnel shortage, I have agreed to remain on the active roster as firefighter/EMT (in spite of my overall 21 years of service).

During these past nine years there have been both 'peaks and valleys' for the Chief and the department as a whole. Most meaningful for me personally has been the overall support I have received from both department members and the general public.

I take special pride in the progress of the department - the acquisition of new equipment, the on-going update in new protective clothing for all personnel; our dedication to training, and the progress made in meeting state and national educational and operational standards.

Other highlights would have to include our response record; the low personal property fire loss (which I would like to think reflects the work we have done in fire prevention); the landscaping work around the building; and the proven dedication of all our fire and rescue personnel.

These highlights are quickly offset by one very serious problem which I sincerely wish could have been turned around during my tenure. Plainly stated, **THIS TOWN DESPERATELY NEEDS CITIZENS TO STEP FORWARD NOW AND JOIN THE FIRE DEPARTMENT!** Our 35 person roster currently carries only 22 names (3 of them on limited duty). This manpower shortage is not new, but has intensified each year. For the past five years I have identified this concern in my reports to you, and have asked people to serve.

Harrisville is not alone in this matter, and fire service leaders know that unless the ranks are filled by local citizens, **TOWNS WILL BE FORCED TO HIRE FULL TIME FIREFIGHTERS AND EMERGENCY MEDICAL PERSONNEL!** This would obviously be very costly and disruptive to local government. However, the town can avoid the 'crunch' - if enough new blood is pumped into the ranks! The job does require considerable time. The mandated training is intensive. To serve requires real commitment, and often means personal and family sacrifice . . . but the alternatives may well be more than bargained for! (Those who are currently serving also feel they "can't afford the time" to participate!)

From an operations standpoint, 1994 was not an unusual year . . . except for the coincidence of numbers compared to the previous year (see statistical report at end). The 79 runs equals the all time high set in 1993. Perhaps the most significant factor is the continued high percentages of emergency medical calls . . . a national trend.

During the year we continued to give priority to a training program designed to meet the established national and state training standards of NFPA 1500. In addition to regular monthly sessions taught by our own officers, several members have taken courses either in specialized emergency care, or in firefighting at Meadowood Fire School. Two specialized courses were also given by guest instructors. One was on the techniques related to use of Class 'A' foam in fire suppression, and the other an eight hour course on Hazardous Materials Awareness, which is now required by law for all first response personnel.

I want to share with you the strong feeling of confidence I have in passing the responsibility on to my Assistant Chief, Russell "Buddy" Driscoll. He is a skilled and dedicated firefighter/EMT, who is a proven leader in the emergency services arena. He is well aware of the problems that lie ahead for this department, and I am sure he will provide strong, creative leadership for the task. I urge you to give him your 100% support in his efforts to continue the traditions of the Harrisville Fire Department.

Finally, a SINCERE THANK YOU for the support I have received during my tenure. Remember, BE FIRE SAFE! But if trouble is suspected, DON'T WAIT! CALL 352-1100 and ask for help.

Rand E. Duffy, Chief
Harrisville Fire Dept.
Ret. 12-31-94

HIGHWAY DEPARTMENT

The Winter of 1994 brought more than the usual amount of snow, with the week of March 28, 1994 being the first week of regular hours the crew saw. We experienced no major break downs with the equipment.

The Spring saw lots of frost heaves. Grading and graveling kept us busy throughout the Spring. We replaced numerous culverts on the MacVeagh, Eastside (Silver Lake), Tolman Pond and Skatutakee Roads.

Pesky Beaver kept the road crew busy all Summer removing dams from several roads. Dust control was a major problem with the hot summer and lack of rain. The Highway Department installed a Merry Go Round at Harrisville Beach, widened Seaver Road corner in July, also removed rocks from Hancock and Willard Hill Roads. Roadside mowing was done on all of the roads. Tarring was done on the Hancock Road. This would not have been possible without mutual aid from the Highway Departments from the Towns of Nelson and Dublin. We had the use of their personnel and equipment at no cost to us.

In September, Bryan Trudelle left his position with the Highway Department. I would like to thank him for the admirable job he did.

Plans for 1995 include the tarring of Hancock Road around Skatutakee Lake and the capping of the landfill.

I wish to thank the Selectmen and the Fire and Police Departments for all their help over the past year.

Respectfully submitted,
Wesley Tarr, Jr.

CONSERVATION COMMISSION

The Conservation Commission has been busy surveying activity at the Town's picnic area at Seaver Reservoir. Late night noise-making has been disturbing neighbors and wildlife. Alas, the rope-swing from the big pine was removed to protect the Town from liability.

The Commission sponsored the annual road-side cleanup. Thank you everyone for taking part. We continue to be amazed at what is found!

We review "Dredge and Fill" permits. These permits are required for any construction activities or alterations taking place below the high water mark in a body of water. We have reviewed several Intents -to-Cut and called attention to the Town for a poorly executed cutting in a watershed area.

We wish to thank John Twitchell for his leadership. We're sorry that time commitments do not allow him to continue with us. We mourn the loss of Marilyn St. Peter and shall miss her willingness to help and her good counsel.

The Conservation Commission meets on the fourth Tuesday of every month at 7:00 PM at the Library. Meetings are open to the public and we encourage interested folks to attend.

Respectfully submitted,
Hal Grant, Chairman

POLICE DEPARTMENT

There was a change of coverage in the Town this past year. The State Police and the Dublin Police Department took care of most of the calls the latter part of 1994. I do have a regular patrol schedule and answer calls when in the area. In any case of need for Police assistance, please call Mutual Aid at 352-1100.

The Police Department Headquarters are coming along fine, with completion near.

Respectfully submitted,
Daniel Clark, Officer

ANNUAL REPORT OF THE PLANNING BOARD

In this, my final report as a member of the Planning Board, I am going to take the liberty of reflecting on what I've observed in ten years of Planning Board activity.

Having been appointed to the Board when Bill House was chairman, I realize that those earlier Boards set a solid foundation on which the planning process has been built in the succeeding years.

We responded to the growth pressures of the 80's by trying to place some control on the rate of growth and all its pressures on the tax base and infra structure, with the Growth Management Ordinance and changes to the sub-division regulations. The process was often frustrating, and emotional, and some mistakes were made; however, the involvement of the public with both criticism and positive support was particularly satisfying.

With a national recession taking hold at the turn of this decade, the Board was able to look forward to what the planning process could do to deal with the present, as well as prepare for the next big growth period. With our lakes and ponds being one of our most important resources we were among the first towns in the state to adopt the Shoreland Protection Overlay. In adopting the Accessory Apartment Ordinance, the mechanism was created to allow for a separate living space in an owner lived-in residence. The Growth Management Ordinance was simplified and became an annually adopted mechanism to control and accept our share of growth based on the growth rates of our neighboring towns.

The past year we presented to the Town zoning changes on non-conforming buildings that would allow people to make changes to the betterment of their property and the use of the land. We also looked ahead to expanding commercial uses in the Town, which will continue in the coming year.

The rewards of serving the town have been many. Working with the many dedicated Board members has been an honor. Seeing the public get involved in the many planning issues has been most gratifying. There has also been great sorrow with the passing of my fellow Board members and friends: Lou Carey, Barbara Haggblad, George Clymer, and Marilyn St. Peter. Their dedication and love of this town will long be remembered.

Sincerely, Jay Jacobs, Chairman

ZONING BOARD OF ADJUSTMENT

1994 saw the addition to the Zoning Board of many new members, and the passing away of another. Gertrude Richardson, as most of you know, passed away during the year. She served the Town of Harrisville for many years diligently and competently and we will miss her contributions.

Joining the Board this year were Pat Colony, Lydian Green, and Jim Powley. The old timers are George Saunders, Peter Temple, and Larry Rathburn, in his position as Selectman, and myself. We did enjoy on a couple of occasions the participation on the Board of Marilyn St. Peter, who was required to decide various issues when Larry was unable to. We will miss Marilyn's great contributions to the Board and of course to the Town in general.

The mix of personalities resulted in dynamic meetings. With these monthly meetings in mind, I feel confident about making the following statement: reasonable people differ. There were many times we voted as a unanimous Board, but there were times when we did not. The latter resulted from the necessity of having to interpret obscure language, and because reasonable people differ.

There were some controversies that we confronted. The Eagle Hall matter was before the Board on more than one occasion, and it was before other Boards as well. Filtrine was before the Board on occasion.

It is important for those of you who have gotten this far in my report to understand that our function is not to apply the Zoning Ordinance haphazardly; we, after all, were not those who drafted the Ordinance, the Town was. Our job as charged by the Town is solely to apply the facts of each specific request for a special exception or a variance or an appeal from an administrative decision, against the letter of the Ordinance. There were times when the applicants before us did not understand our function. We try to make it as clear as possible, however, that we were not the ones who drafted the Ordinance. We are the ones who are to determine whether a variance or a special exception or an appeal from an administrative decision is to be warranted. Each case has specific facts and each case is totally different.

As each one of the members of the Board can attest, it is at times a thankless job, but at other times it is rewarding. The presentations have, as a rule, been professional, and the Board discussions have been thorough and dynamic. This is, after all, a Board; without the people whose names I have listed above, the Zoning Board would not have succeeded. I am proud of the opportunity to have served as acting chairman, and will continue to enjoy my services on the Zoning Board, no matter what my capacity.

Let me end by saying a personal thanks to George, Peter, Larry, Pat and Lydian for the time that they have contributed to the Zoning Board.

Respectfully submitted,
William Robinson, Acting Chairman

HARRISVILLE PUBLIC LIBRARY

No, we have not increased the wattage of the lights - we had the interior of the Library painted. After twenty-four years, it was time to give the walls and ceiling a fresh coat of paint. We are continuing in our search for a new storm door!

We started the year off with a display of treats and products for our furred and feathered friends. This was a good chance to show off our collection of animal care books. This was followed by an exhibit of books dealing with crafting with paper, an inexpensive and fun activity.

This past Summer, Dinosaurs once again roamed the Earth, at least at the Library. These creatures of long ago provided the theme for our Summer Reading Program.

A great assortment of books guaranteed a successful Book Sale. Many visitors browsed the book tables while enjoying refreshments at our Annual Friends of the Library Tea and Book Sale. Hope that you had as good a time as we did. If you missed it, plan to attend our 1995 Tea and Sale. Write it on your calendar now - mid July.

Late in the Summer, the Library hosted an exhibit of paintings by local artist, George Ineson. Our next bulletin board display will include art books acquired with the income from the Sara Saari fund.

Our Holiday Craft Programs have been well attended. This year we made Valentines, May Baskets, and Winter/Holiday craft items. We would like to expand this portion of our programming. Any suggestions?

We have been fortunate to have High School students who fulfill their community service obligation by volunteering. This Fall, Katie Dantes completed a much needed weeding project. Another student, Trinity Sheehan has joined our staff. We are pleased to have these young people helping out.

The Library now has 5245 volumes in its regular collection. Our video collection consists of 156 tapes. In addition to the books and tapes, both video and audio, the Library has available 20 magazine titles for your reading pleasure. Some of the newest titles are *Downeast*, *Vogue*, and *Country Life*. There's something for everyone.

The Peterborough Town Library continues to supply us with long-term fiction (116) and short-term special requests (32). Twenty-three requests were fulfilled through the State Inter-Library Loan System. Our circulation for the year was 8248.

We would like to thank all those wonderful people who help out at the Library. And thank you to all for your support.

Historic District Commission

In 1969 the Historic District Commission was voted into being by the town to maintain the architectural and historic integrity of the District. Members of this committee are appointed by the selectmen to serve three year terms. The current commission consists of Town Selectman representative/ex officio and four regular members, two of whom reside within the district.

The commission is concerned with any visible changes to properties including buildings, outbuildings and landscape elements within the District as established by the Town in 1969. Any property owner within the district must file an application for prior approval of any work (including repairs) affecting the exterior and/or landscape of the property regardless of whether a building permit is or is not required. The Town Selectmen cannot issue building permits for properties within the HDC without prior approval of the Historic District Commission. The meetings and public hearings, which are open to the public, are held on the first Tuesday of the month at 7:00 p.m. at the Library unless otherwise noted. (Notices are posted at the Post Office and the Town Bulletin Board.)

All applications must be sent to: Harrisville Historic District Commission P.O. Box 66 Harrisville, NH 03450. There is a \$15.00 application fee to help defray the costs to the town for advertising and mailing. Copies of the rules and regulations of the Historic District Commission are available at the Selectman's office, as well as maps of the district and application forms.

Developments: Don Scott prepared a new map of all the properties within the district listing both the tax lot numbers and the HDC designated numbers corresponding with the existing photo album/inventory and database of all the properties, owners and abutters. The application and approval forms were re-designed.

New Appointments: Michael Havey was appointed by the Selectmen to the commission. As a former resident of Harrisville who recently returned to live and work in town, we welcome his design expertise and his experience as member of the Mason Historic District Commission.

I would like to thank all the members who were on the commission during 1994 for their time and efforts devoted to reviewing applications and other matters that come before the Commission.

As you all know, we mourn the loss of Marilyn St. Peter who was with this commission for many years as the Selectman/ex officio. Her good nature, guidance and experience will be sorely missed.

Respectfully submitted by Leslie Voiers, Chair

Town Office Building Committee Report

We first considered the possibility of a modular building, or its "stick-built" equivalent, and concluded that neither would meet the needs of the Town for years to come. We also looked at the possibility of moving and rehabilitating the old Chesham school, but found that it would not be cost effective. Because of the death during the summer of our chairman, George Clymer, things moved slowly, but by October, we had come up with a plan.

Unfortunately, the bids came in significantly higher than the \$90,000 authorized at Town Meeting last year, because of the need to meet accessibility and other code requirements, and our attempts to meet the expressed wishes of townspeople that the building be large enough for everything to be under one roof and likely to meet Town needs for many years to come. It provides space for the Selectmen, Town Clerk, and Tax Collector, as well as meeting space for the various commissions; there is also adequate storage space. The design allows for future expansion.

Before her untimely death in December, Marilyn St. Peter indicated her approval of the plan. The committee is pleased with it, and commends it to your attention.

Russell Downing

Janette Keough

Larry Rathburn

Buddy Driscoll

Alan M. Laufman

Peter Temple

George Clymer, Chairman

Tom Weller, Architect

Fondly remembered

George Clymer

MARL-HARRIS

In 1994, the Marl-Harris Ambulance responded to 148 calls, logging 2852 miles. A total of 130 patients was transported.

The nature of the calls were as follows: 13 motor vehicle accidents, resulting in 16 patients, 2 code 9's, 2 M.D. ordered transfers, with the balance being miscellaneous injuries and medical emergencies. In addition, we attended several drills with the Marlborough and Harrisville Fire Departments, 1 parade detail, and 3 fire scene stand-bys.

Membership currently stands at 25, including 3 EMT-I, 15 EMT, 5 AFA, and 2 non-medical support with 2 currently enrolled in EMT classes.

The fundraising committee had good results this year. A Spring carwash/bakeshops was well attended, while the weather hampered the annual Funday/Dance. An ambitious schedule for 1995 is being drafted.

In keeping with federal, state, and local policy, we currently offer all members vaccination for Hepatitis B and annual T.B. testing, as well as, continued training for protection against infectious diseases, as well as the regular battery for HazMat and Emergency Medical training.

Demands for advanced level training continue to grow. The roles and responsibilities of Emergency Medical Personnel continue to grow, and with that growth we see the cost of keeping members trained and protected grow as well. Thanks to your continued support, we have been able to meet those demands so far.

Anyone interested in becoming a member, or first finding out more about us, please feel free to contact any of our members. We would love to hear from you.

Thank you once again.

Respectfully submitted,
James L. Bleau, Pres./Chief

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

During calendar year 1994, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were No Permit, Children, and Rekindles of fires where the fire was not properly extinguished!

Please help your Town and State forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done." Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail and you are also liable for all fire suppression costs.

Forest Fire Statistics

Number of fires	283
Acres burned	217

Fires Reported by Lookout Towers

Fires reported	588
Assists to Other Towers	363

Fires Reported by Detection Aircraft

89

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contact aircraft patrols. This early detection and reports from citizens aid the quick response from local fire departments.

Robert Stewart, Forest Ranger
Alton Chamberlain, Forest Fire Warden

MONADNOCK FAMILY SERVICES
Town of Harrisville

Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little or no income.

The Peterborough District Office is open five days and three nights every week. The Jaffrey District Office is open four days and four evenings each week. Based in our Keene office, we provide 24 hour emergency services, 7 days a week, 365 days a year. Services we offer in addition to Emergency Services include Psychiatric Assessment and Medication Treatment, Case Management, Residential Treatment and a Day Treatment program.

Last year the our Offices provided 622 visits of direct treatment to Harrisville residents. Of the 19 open cases, 9 were male and 11 were female, 2 were under the age of 18, 16 between the ages of 18 and 59, and 1 were 60 or over.

MFS Adult Care Center was open over 1400 hours in 1994, with an average daily attendance of approximately 23 clients. We provided over 16,000 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

The dollar amount requested from Harrisville to help us to continue offering these services is arrived at by multiplying the 1992 population estimate figure by \$1.00. This per capita amount includes in no increase for four years. The amount we are requesting is \$976.

We thank you for your support.

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.

In 1994, Home Health Care and Community Services continued to provide home care and community services to the residents of Harrisville. The following information represents a projection of HHCCS's activities in your community in 1994. The projection is based on actual services provided from January through September 1993 and an estimate of usage during October, November and December.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED
Nursing	15 visits
Physical therapy	124visits
Occupational therapy	6 visits
Homemaker	221 hours
Adult In-Home Care	1,637 hours

Total unduplicated residents served: 11

In addition to the above activities, regularly scheduled blood pressure clinics, child health clinic, and telephone consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1994 with all funding sources is projected to be \$18,465.05.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurance, grants and patient fees. Services that were not covered by other funding have been supported by your Town. In 1994, Town support is projected to be \$500.00

For 1994, we recommend an appropriation of \$3,000.00 to continue home care services at the current level.

Thank you for your consideration.

Historic Harrisville Report for 1994

Our two main meetings in 1994 were well attended and featured a tour of Camp Marienfeld in April, and a slide show in October. The slide show featured old postcards showing Harrisville, Chesham, Eastview and Silver Lake. Our archive continues to grow. If you have old postcards or photographs of Harrisville you would like to make part of the collection, or allow us to copy, please feel free to contact the office at 827-3722.

Historic Harrisville was proud to host two national tours last year. One for the Society for Historians of Technology (SHOT) and the other as part of The National Trust for Historic Preservation's fall conference being held in Boston.

We are continuing to support ways for the general store, such a critical part of life in the village, to reopen.

During 1994 the legal challenge to the validity of our covenant program was concluded. The structure in question has been removed from the protected property. After considerable stress and expense our covenants have emerged intact and greatly strengthened by the very strong decision in our favor. Our covenants exist between specific property owners and Historic Harrisville, Inc. They have no relation to the town's Historic District Commission or their approval process.

Historic Harrisville, Inc. is a public, non-profit foundation which welcomes anyone to join us in our work. If you are not on our mailing list, and wish to be, please drop a note to Box 79, or call 827-3722. Our meetings are usually held on the last Saturdays of April and October.

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 14th day of March, 1995, Eleven O'Clock in the forenoon to bring in your votes for the election of school district officers. The polls will be open at 11:00 a.m., nor close earlier than the time of closing the polls for the election of town officials.

ARTICLE 1. To choose all necessary school district officers:

- A member of the school board for the ensuing three years
- A moderator for the ensuing year
- A clerk for the ensuing year
- A treasurer from July 1, 1995, for the ensuing year
- An auditor for the ensuing year

Given under our hands at said Harrisville, this 1st day of February, 1995.

Robert Kingsbury, Chair
James F. Johnson
David T. Sobel

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 8th day of March, 1995, at 6:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The school board supports favorable action on this warrant article.)*

ARTICLE 3: To see if the District will vote to ratify and be bound by the financial provisions of a proposed collective bargaining agreement between the Harrisville School Board and the Harrisville Education Association, covering the years 1995-1996, 1996-1997, and 1997-1998, wherein the increased cost for salary and benefits for 1995-1996 equals Twelve Thousand Six Hundred Thirty-Six (\$12,636.00) Dollars; for 1996-1997 equals Fifteen Thousand Six Hundred Fifty-Two (\$15,652.00) Dollars; and for 1997-1998 equals Eighteen Thousand Four Hundred Four (\$18,404.00) Dollars, and to raise and appropriate the amount of Twelve Thousand One Hundred Twenty-Four (\$12,124.00) Dollars to fund the costs for the 1995-1996 school year, or to take any other action in relation thereto. *(The school board supports favorable action on this warrant article.)*

ARTICLE 4: To see if the District will vote to authorize and empower the school board to borrow up to Eighteen Thousand Two Hundred (\$18,200.00) Dollars, representing the State of New Hampshire share of special education costs for the 1995-1996 school year, pursuant to R.S.A. 198:20-D upon such terms and conditions as the school board determines in the best interests of the District; said sum together with the costs of borrowing to be repaid by the State of New Hampshire pursuant to R.S.A. 186:C-18, or to take any other action in relation thereto. *(The school board supports favorable action on this warrant article.)*

ARTICLE 5: To see if the District will vote to authorize the school board to transfer up to Twenty Thousand (\$20,000.00) Dollars of its unencumbered surplus funds, if any, remaining on hand at the end of fiscal year, June 30, 1995, to the Capital Projects Fund for the purchase and installation of windows and insulated panels at the Wells Memorial School, or to take any other action in relation thereto. *(The school board supports favorable action on this warrant article.)*

ARTICLE 6: (By Petition) To see if the District will direct the school board to allow the town to use that area of the school that is now occupied by the library and special education room and their adjoining small rooms for temporary town offices until such time that either the town appropriates money for and develops an alternate location or the population of the school exceeds 100 students. And further, that such use of the school by the town be conditional on the space being physically divided from the school by a new interior doorway and that no public meetings or office hours be scheduled by the town during normal school hours. And further, to appropriate an amount up to \$5,000 for the necessary changes in the school building, or to take any other action in relation thereto. *(To be voted on by written ballot.)*

ARTICLE 7: To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville, this 17th day of February, 1995.

*Robert Kingsbury, Chair
James F. Johnson
David T. Sobel*

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

*Phillip G. McCormack, Ed.D.
Superintendent of Schools*

**HARRISVILLE SCHOOL DISTRICT
ANNUAL MEETING
March 2, 1994**

Meeting opened at 6:00 p.m.

ARTICLE 1: I move that the District receive the report of agents, auditors, committees or officers chosen as printed.

A motion was made to pass over this article. Passed.

ARTICLE 2: I move that the District raise and appropriate as a deficit appropriation the sum of \$50,230 to cover unanticipated tuition expenses for the school year ending June 30, 1994.

A motion was made to accept Article 2 as read. Passed.

ARTICLE 3: I move that the District raise and appropriate the amount of \$1,198,106 for the support of schools, the payment of salaries of school district officials and agents, and for the payment of the statutory obligations of the District.

A motion was made to amend the article as follows: (1) Move to cut the budget \$40,000 to eliminate one staff position. To be voted by secret ballot: Yes - 35; No - 66. Did not pass.

A motion was made to amend the article as follows: (2) To vote to reduce the school budget by \$30,000. By secret ballot: Yes - 31; No - 62. Did not pass.

Article 3 as written: Yes - 67; No - 21. Passed.

ARTICLE 4: I move that the District raise and appropriate the sum of \$13,593 to fund salary and benefit increases for the certified and non-certified staff for the 1994-1995 school year.

A motion was made to amend the article as follows: (1) To reduce the pay raise by 50 percent for salary and benefit. By secret ballot: Yes - 23; No - 50. Did not pass.

Article 4 passed as read.

ARTICLE 5: I move that the District authorize and empower the school board to borrow up to \$22,000, representing the State of New Hampshire share of special education cost for the 1994-1995 school year, pursuant to R.S.A. 198:20-D upon such terms and conditions as the school board determines in the best interests of the District; said sum together with the cost of borrowing to be repaid by the State of New Hampshire pursuant to R.S.A. 186:C-18.

A motion was made to accept Article 5 as read. Passed.

ARTICLE 6: I move that the District appropriate the sum of \$23,100 for the purchase and installation of windows at the Wells Memorial School, said sum to be withdrawn from the Capital Reserve Fund established on March 11, 1986, for the reconstruction of building and include (as amended at the March 11, 1991 meeting) capital improvements of said building and grounds.

A motion was made to accept Article 6 as read. Passed.

ARTICLE 7: I move that the meeting be adjourned.

A motion was made to accept the Article 7 as read. Passed. Meeting was adjourned at 9:24 p.m. until March 8, 1994 at 11:00 a.m.

You are hereby notified to meet at the Wells Memorial School in said District on the 8th day of March, 1994, Eleven O'Clock in the forenoon to bring in your votes for the election of school district officers.

March 8, 1994

Polls open at 11:04 a.m.

ARTICLE 1: To choose all necessary school district officers:

A member of the school board for the ensuing three years
A moderator for the ensuing year
A clerk for the ensuing year
A treasurer from July 1, 1994 for the ensuing year
An auditor for the ensuing year

School's polls recessed at 8:41 p.m.

Polls closed at 12:15 a.m.

Respectfully submitted,

Laura Trudelle
School District Clerk

ADMINISTRATIVE REPORT

Consistency is a word that comes to mind when I think about Wells Memorial School. This is evident in the staff's focus on a responsive school and philosophical position relative to student learning, the maintenance of a positive learning environment, the commitment and dedication demonstrated by the staff, and the level of community involvement.

One of the more positive influences on the operation of the school is the staff's adherence to the belief that the school must reflect the wants and needs of the community. This perspective has been a constant for as long as I have been associated with the Wells Memorial staff. The staff continues to work hard to provide the type of educational program that the community has identified it desires. As in past years, the staff continues its efforts to communicate with community members to determine expectations of the school. This has generally assumed the form of parent surveys, informal and formal assessments, and discussion/presentations with parent groups.

One of the goals adopted by the staff for this year was to learn more about effective strategies for helping students develop social skills. This initiative was in response to student management and discipline as one of the needs identified in a formal assessment conducted last year. To this end, the staff has continued its emphasis on the "social curriculum". This effort has also been reinforced with continued work on the peer mediation approach which teaches students how to deal with conflict.

The staff's efforts to maximize learning opportunities for each student also reflect considerable consistency. Another goal that the staff has adopted relates to learning more about effective teaching strategies that help teachers identify and respond to individual learning styles. The work that the staff has done in this area better prepares them to implement activities that will directly influence student performance.

The work that the staff has completed in relation to students' interactions with each other and how they deal with conflict, the effort put forth to be more cognizant and responsive to various learning styles, and the continued attempts to involve community members in school projects/activities are factors that have contributed to the maintenance of a very positive and constructive learning environment for children. Additional work that has been done to increase the use of technology in the school and efforts to offer integrated units of study that enhance the relevancy of what is being taught are factors that have also helped the staff maintain this environment.

Much of what has been accomplished at the school this year can directly be attributed to the commitment the staff has made to the school and the Harrisville children. The staff's willingness to work well beyond the normal working day and during school vacations is critical to the success of the school. I have found this level of dedication to be a characteristic of the Wells Memorial staff that ought to be commended.

The synergetic relationship that exists between the staff and members of the community continues to reinforce the focus and efforts of the staff. Many of the activities offered at the school are contingent upon a continuation of the high level of involvement and support that community members extend to the school. This is one reason why the staff identified an expansion of the volunteer program as a goal for the year.

Community involvement and support are factors that have played an integral role in the staff's ability to provide challenging and enjoyable learning activities for children. I trust that this will continue. For this to happen, please stay informed and involved. The annual district meeting on Wednesday, March 8, is one way in which you can become better informed about issues impacting the school. Please plan to attend!

*Phillip G. McCormack, Ed.D.
Superintendent of Schools*

PRINCIPAL'S REPORT

We ended the 1994 school year with 14 sixth graders graduating from Wells Memorial School. Congratulations go to John Avera, Mitchell Cady, Kasi Davis, Hope Ganley, Angela Gee, Tammy Kensy, Don LaChance, Melissa Miller, Ben O'Dwyer, Jen Putnam, Henry Ratcliffe, Peter Santerre, Audrey Trudelle, and Becky Wilder.

At WMS, we currently have 72 students enrolled in kindergarten through grade six. The following represents the number of students in each class:

Kindergarten	8	Grade 4	8
Grade 1	17	Grade 5	7
Grade 2	11	Grade 6	14
Grade 3	7		

We had two new teachers join our staff -- Emily Hartshorne and Roshan Swope, as we said a fond farewell to two WMS veterans, Patty Gould and Lexy Heatley. Roshan and Emily are teaching the multi-age classes (grades 1, 2 and 3). Karin Pratt, after a maternity leave, has taken over the special education position. We currently have twelve students identified in need of special education services. At WMS, we implement an inclusion model which allows special needs students to receive the same educational opportunities as regular education students. The special educator assists these students in the regular classes. This model of servicing special needs students is currently believed to be the most effective way to meet the needs of this population.

We have continued to expand our technological resources by using federal grant money to purchase new equipment. This year, we added a new Macintosh and CD-ROM player to our inventory of equipment for student use. The CD-ROM player has provided another tool to enhance our students' abilities to research material. Our goal is to have our students graduate with the ability to effectively use computers in research, word processing, and database development.

Once again this past summer we offered a program for students who would benefit from some extra help in math and/or reading. Fifteen students participated in this program. The theme was "Food!" Students enjoyed field trips to different places to gather food or to see how food items are made. We cooked and prepared samples of food for a closing open house activity. New this year was a program with Keene State College students. Students were offered the opportunity to have pen pals with college students who followed up with a visit to WMS. Does it seem possible that students can have so much fun and still learn? The answer is YES! It has been remarkable to see the progress these students make and how much carries over into the regular school year. This program continues to be financed with federal monies known as "Chapter 1".

As a teaching staff, we have been participating in programs to assist us in the development of teaching students social skills. This is commonly called "the social curriculum". We have also done some work in the area of learning styles, understanding how students learn so that we can better meet their educational needs.

Highlights of the year to date include a wonderful Grandparents' Day with a performance by a full-blooded Apache Indian, Conservation Day sponsored by the County Extension, the Holly Day Fair, a visit to High Hopes Orchard, the fire safety program sponsored by the Harrisville Fire Company, a musical performance by Richard Hartshorne, the Grand Monadnock Arts Council's annual Arts in the Schools program featuring the Moving Dance Company, and a field trip to Fort #4. Sixth graders are looking forward to a week at Sargent Camp (an environmental program) and a day in the White Mountains. This spring the school will be involved in an oceanography unit which will hopefully end with a day at Odiorne State Park.

Through the continued support and assistance of volunteers, we have been able to continue and expand many programs. Two of the many programs are the basketball program and an archeological dig. Volunteers do make a difference!

It is with pride that we all work at Wells Memorial School, and it is with great joy that we watch our young people grow. Not only do they perform well at Wells Memorial School, but they continue to be involved and successful at Keene Middle School and Keene High School. It is delightful to see the numbers of Harrisville young people involved in band, drama, sports, and other activities as well as making the honor roll.

On behalf of the entire staff,

*Dorothy Frazier, Teaching Principal
Wells Memorial School*

HARRISVILLE FOOD SERVICE FUND REPORT
(For the 1993/94 School Year)

REVENUES (SOURCES OF FUNDS)	AMOUNT
Lunch Sales - Pupils	\$7,167
Milk Sales - Pupils	\$3,840
Lunch Sales - Adults	\$1,763

 PROFIT FROM OPERATIONS	\$1,506
Beginning Unencumbered Fund Balance	\$9,699
UNENCUMBERED FUND BALANCE	\$11,205

Mary Bemis (1881-1966) was assistant postmistress in Chesham from 1906 to 1942; and postmistress from 1942 to 1957, when she retired and the Chesham Post Office closed. She held office under presidents Theodore Roosevelt, William Howard Taft, Woodrow Wilson, Calvin Coolidge, Herbert Hoover, Franklin Delano Roosevelt, Harry S. Truman, and Dwight D. Eisenhower. Her husband, Casper, was postmaster from 1901 to 1942. (His father, grandfather and uncles before him also held that position). Their son, William, was selectman in Harrisville from 1973 to 1982.

The cover photo was taken inside the Chesham Post Office by Nina Starr in 1953; and is provided by Historic Harrisville, Inc.
